Electronic Noticeboard System Price List Valid from May 2009

Complete Software Package for a single screen System		
Controller, Editor and NDD1 software -you supply your own PCs		£265
Additional screens are easily added at a later date if required		
Noticeboard Hardware / Software (screens not included)		
NDD1 Software Only – use your own Windows PC as the noticeboard		£110
NDD1 Noticeboard PC (very low power consumption, 1.6GHz)		£497
NDD1 TV – Very Low Power Consumption, 1.6GHz CPU		£810
NDD2 – Drives different information to 2 screens *		£940
NDD4 – Drives different information to 4 screens *		£1,950
NDD8 – Drives different information to 8 screens *		£3,650
NDD1 Wall Mount Case Option		+ £50
CAT5 Extender Set – Connect screens up to 130metres away		£95
NDD1 units are supplied with the NDD1 software and XP-Professional pre installed. When we can no longer obtain XP, they will be supplied with Vista Business. NDD1 units are fitted with the 1.6GHz Intel Atom CPU. Units with a faster CPU are also available for demanding video / flash applications and for multi-screen units. * marked items are not suitable for displaying video.		
Noticeboard Controller Software		
Page Server Basic	Controls a single display group	£75.00
Page Server 4	Controls 4 groups of displays	£170.00
Page Server 8	Controls 8 groups of displays	£235.00
Page Server 16	Controls 16 groups of displays	£320.00
Page Server 255	Controls 255 groups of displays	£560.00
NDD units operate in 'Display Groups'. A single group can have any number of NDD units in it, but each NDD unit would display the same information as others in that same display group. A school could for example drive four screens (NDD units) in different locations from Page Server Basic. Each screen will show the same display pages as the others.		
Page Editor Software		
WYSIWYG Page Editor		£80.00
Other Digital Signage Solutions – Available Early in 2009		
NDD1 units with a flash based web interface with full WYSIWYG page editing. The NDD unit will be able to control other NDD units.		£700.00
Room Booking / Events System driving signage displays with web interface and rich WYSIWYG editor that runs in the browser.		TBA
